

ETOWAH

“Beautiful Place”

Jesus says in John 14:2 (KJV)

“In my father’s house are many mansions;
... I go to prepare a place for you.”

CENTRAL CHRISTIAN CHURCH was formerly owned by George W. King, a founder and president of the Marion Steam Shovel Company. King built his mansion in 1908 and named it “Etowah,” a Native American name meaning “beautiful place.”

It still is!

The King mansion was sold to **Central Christian Church** in 1948. Soon after, we added our main worship center behind the home. Still later, we added an ample parking lot where there once had been a lake. Where a family once lived, we have created a home for our church family to worship and grow in its faith. In our family mansion are many rooms, and we have prepared a “beautiful place” just for you!

DISCIPLES OF CHRIST

Our denominational affiliation is with the Christian Church (Disciples of Christ). Beliefs and practices usually associated with Disciples of Christ include:

- **OPEN COMMUNION**
The Lord's Supper is celebrated every Sunday and is open to all who believe in Jesus Christ.
- **FREEDOM OF BELIEF**
Disciples respect the diversity of beliefs and opinions of one another.
- **BAPTISM BY IMMERSION**
New believers are baptized into the body of Christ by immersion.
- **BELIEF IN CHRISTIAN UNITY**
All Christians are one in Christ through witness and service.

People become members of our church through affirmation of faith in Jesus Christ and baptism.

We also accept new members through transfer of membership from other churches, honoring all other forms of Christian baptism.

Our denominational symbol is the red chalice, which symbolizes the central place of communion in our worship. You can find more information about our denomination at:
